In re Application of Thomas Theodore Mabry Application No. 09/641,685 Filed: August 18, 2000 Attorney Docket No. 0918.0064C OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition, filed by facsimile transmission on September 25, 2003, under 37 CFR 1.313(b) to withdraw the above-identified application from issue.

The petition is **GRANTED**.

Petitioner requests withdrawal from issue on the basis that a "Notice Regarding Drawings" with a PTO-948 Notice of Draftsperson's Patent Drawing Review was mailed on August 11, 2003, giving applicant two(2) months to submit formal drawings.

In view of the facts set forth in the petition, it would be appropriate to withdraw this application from issue since the due date to submit the corrected drawings is October 11, 2003. Accordingly, this applicant is withdrawn from issue.

Telephone inquiries should be directed to the undersigned at (703) 305-8859.

After receipt of the file in the Office of Petitions, the application will be forwarded to the Office of Patent Publication to await the submission of the corrected drawings.
